

FOUNDATION FUND

About the Foundation Fund

The Foundation Fund was established in November 2012 to raise funds for improvements to the clubs Heritage buildings and surrounds. The Launch of the fund was by way of a Foundation Dinner and \$8000 was raised by way of cash donations and funds raised from the proceeds of donated items by members.

The evening was very successful with spirited bidding for auction items and excellent entertainment.

Statement of Purpose

For many members, Mount Osmond Golf Club has formed a valuable part of their life. The Club is a source of great fun, social interaction, pride and enjoyment. The Foundation Fund provides passionate members with a mechanism to donate funds that will be used in improving or maintaining the club house and surrounds for the benefit of members and future generations.

Key Strategies

Awareness

To ensure members are aware of the Foundation Fund and the impact that donations or bequests can have on the overall experience of improved club member facilities.

To actively encourage members who feel passionate about the future security of the Club to donate and bequeath assets and in doing so become part of the rich history that is Mount Osmond Golf Club.

Management

To appropriately manage the cash within this fund, and the interest generated from the fund to maximise long term pride in the assets of the club.

Recognition & Reward

To recognise members for their generous support, forever embedding them in the Club's history as one of the key contributors to the Club's long term success.

How is the fund Managed

The Board of Management is responsible for deciding the best outcome for finances accumulated in the Foundation Fund. However where specific donations or bequest are made in respect to a specific project then the Board will acquiesce providing the project is in keeping with the overall strategy of the Foundation Fund..

The Foundation Fund respects the wishes of donators. The Fund will either recognise the generosity of the member or keep their identity anonymous based on personal preference.

The specific amounts contributed are not disclosed in any recognition format without the permission of the member.

Consider Mount Osmond Golf Club in your will.

If you are considering updating you're Will or organising one you may wish to consider a donation to Mount Osmond Golf Club Incorporated and in doing so become a unique member who has bequest funds as their recognition of the wonderful time and friendships that have endured during their time at the club.

You may wish to discuss your intention or ideas with the Club. This is essential if you wish to tailor your donation to meet a specific purpose. To include Mount Osmond Golf Club in your will is a gesture that your families will recognise as a thank you for the wonderful association you have had.

MAINTAINING OUR HERITAGE
